

# Do You Have Type 2 Diabetes?

## We are enrolling adult volunteers now

## Help us explore pathways to diabetes management

If you have type 2 diabetes, and are between 18 and 80 years of age, find out if you qualify for a clinical research study of an investigational oral diabetes medication.

**You may be eligible if your blood sugar is not well-controlled using the following treatments:**

- Metformin only
- OR
- Metformin and a sulfonylurea (such as: glimepiride, glipizide, or glyburide)

If eligible to participate, you will be seen by a study doctor and receive study-related testing and medication at no cost. If enrolled, you may be reimbursed for parking and travel expenses.

**For more information, please contact:**

American Health Network  
Kathy @ 317.718.5479

**Thank you. Volunteers are critical to diabetes research.**
