Your appointment is scheduled for ... **Date** _____ **Time** _____ **AM PM**

Welcome to American Health Network.

Please plan to arrive for your appointment at least 15 minutes early. Bring your paperwork and your current insurance card(s).

You will be asked to show your insurance card(s) and a photo ID. This can be a driver's license, student ID card or Indiana ID card. Anyone under age 18 must be accompanied by a parent or guardian. If you are under age 18 and don't have a photo ID, your parent or guardian must show their photo ID at the visit.

Copays are due at each visit. We accept cash, checks, most credit cards and health savings account (HSA) cards. If you don't have insurance, a minimum payment of $100 is due at the time of service. But if you pay in full for all charges at the time of service, you will receive a 15% discount.

If you have questions about payment, call us before your appointment. Also, be sure to check with your insurance provider to make sure your doctor is in your network.

If you need to reschedule or cancel your appointment, please let us know at least 24 hours in advance. If you don't, you will be charged a fee because the provider won't be able to fill that time slot. We charge $50 for missed new patient appointments and $25 for missed office visits. If you are a Medicaid patient, you will not be charged a missed office fee.

We may also charge fees for returned checks ($25), completing forms such as disability or family medical leave ($25) and copying medical records. American Health Network uses a third party copy service vendor, CIOX to process all requests of medical records. CIOX charges the allowed medical records copying fees set by Indiana and Federal Statute. The amount varies based on number of pages. To request a copy of your records from AHN, please contact your primary care provider's office directly.

Thank you for choosing American Health Network.

Fees and charges may vary based on contracts with insurance companies and other payers.

American Health Network Patient Financial Policies, Terms & Conditions Effective 01-01-2018

Payment Guarantee: For services rendered by American Health Network ("AHN"), you guarantee payment of your account at the time services are provided for any & all costs that are not paid by an insurance carrier, government payer (including Medicaid), & other third party payer (together, referred to as "PAYER"), including if your PAYER denies a claim after first approving it.. You acknowledge that you will be responsible for paying AHN for items & services provided to your dependents under these Conditions whether or not you are listed as the "Responsible Party" on the Patient Data Sheet. The person listed as the "Responsible Party" on the Patient Data Sheet will also be responsible to AHN for payment. All charges incurred are your responsibility.

Out of Network Referrals: An out-of-network provider may be called upon to render health care items or services to a covered individual during the course of treatment. Out-of-network providers are not bound by the payment provisions that apply to health care items or services rendered by an in-network provider under a covered individual's health plan. You should contact your health plan before receiving health care items or services rendered by an out-of-network provider to obtain a list of in-network providers that may render the health care items or services, as well as additional resources. You understand that any out-of-network charges are your responsibility as determined by your PAYER.

Physician Investments: Be advised that AHN physicians may refer you to a health care entity (an organization or business that provides diagnostic, medical or surgical services, dental treatment or rehabilitative care), in which the physicians have a private/individual investment, including, but not limited to: American Health Network, Knox Diagnostic Imaging Center, LLC, Damon Dialysis, LLC, Eagle Highlands Surgery Center, LLC, Beltway Surgery Centers, LLC and various other surgery centers. Patients are advised that in each case they may choose to be referred to another health care entity. Your signature on the Patient Data Sheet acknowledges you have received notice of physician investment(s).

Assignment of Benefits: To the extent there is PAYER coverage for payment of services, you agree that all medical & related benefits PAID by PAYER will be irrevocably assigned to AHN on your behalf.

Billing Information: You agree to provide complete & accurate information & notify us of changes to any of your information (address, phone number, insurance). We will use reasonable efforts to submit claims to your PAYER & promptly provide you with our statements. If for any reason, amounts that you owe are not paid promptly, including if a statement is returned as undeliverable, you may be referred to a collection agency. Bring your government-issued photo identification & insurance cards to every visit. Otherwise, you may be required to pay in full that day.

Medicare Agreement: If you have Medicare coverage, you acknowledge that payment of benefits will be made to you or on your behalf for any items or services furnished to you by AHN (or the party who accepts assignment), including your physician services. You authorize any holder of medical or other information about you to release to Medicare & its agents, any information needed to determine these benefits or any benefits for related services.

Payment terms: We require payment at the time of your office visit. This includes amounts for co-pays, coinsurance, deductibles & past-due balances unless previous arrangements have been made with our billing department. If you fail to make payment at the time of service, we may charge extra processing fees in recognition of billing & collection expenses.

Billing Payers: We will file your claims with your PAYER after services are provided as a courtesy. If your PAYER pays you directly, you are responsible for payment in full to AHN. We may estimate what your PAYER will pay, but the PAYER decides your eligibility & benefits. It is your responsibility to understand what services are covered by your Payer. You will be fully responsible for paying for services or amounts that are not covered. Contact your PAYER before a service is provided if you have questions about coverage. You may request that we not file with your PAYER by completing required forms at the time the services are provided.

AHN will select the codes that are used in billing based on PAYER policies & industry standards. Payers make payment decisions based on the coverage policies for your insurance policy. Example: If you come in for a sports physical, AHN codes it as a sports physical. If your PAYER does not cover sports physicals, you will be responsible for paying. AHN cannot change the reason for the visit. It is your responsibility to know what your insurance covers.

The amount that your PAYER requires you to pay may depend on whether other providers bill separately for part of the service, for instance, where AHN takes the x-ray but someone else reads it. The amount you are required to pay may also depend on whether the service is preventative (i.e. you have no symptoms suggesting a problem) or diagnostic (i.e. you have symptoms). If you have a preventative screening scheduled, but show up at the appointment with symptoms, AHN usually needs to report it as diagnostic. This may result in you having to pay more, such as a higher co-insurance.

Your PAYER may require prior authorization or referral for some services. Obtaining authorization or referral does not guarantee that your PAYER will pay. You are responsible for ensuring that authorizations & referrals are obtained prior to obtaining services. Please call our Billing Department if you have difficulty with your PAYER, & we will try to assist.

You are responsible for payment until the account is paid in full. It may take time for AHN to resolve payment with your PAYER (i.e. processing delays, misplaced claims, requests for additional information & appeals). You are responsible for cooperating with requests for

additional information & assistance with appeals. AHN may wait until your PAYER officially notifies us of the amount that you owe or until disputes about how much your PAYER owes are resolved, before sending a statement to you. Payment is expected by the due date contained on our statements.
If AHN is contracted with your PAYER, the terms of that contract will be followed if there is a conflict between that contract & the terms of these Financial Policies & the terms of AHN's contract with your PAYER. If AHN is not contracted with your PAYER or AHN is unable to verify that your Payer will be responsible for payment, you may be required to pay in full at the visit.

Interest and Attorney's Fees: For any past due amounts, AHN shall be entitled to payment from you of interest at the rate of 1.5% per month (18% per annum), & you shall be responsible for all costs & expenses incurred in efforts to collect past due amounts from you, including interest charges, court costs, & reasonable attorney's fees. If a check is returned for insufficient funds, all charges incurred by AHN shall be your responsibility.

Note to parents of dependents: The Statement for your child will be sent to you, & you are responsible to AHN for prompt payment. You are responsible for paying AHN. If you believe that someone else is responsible for the child's medical expenses, you may take action against that person to recover the amounts for which they are responsible.

Workers Compensation Injury: If you believe you are being seen for an injury/illness as a result of your job, you need to provide written authorization from your employer to confirm this, & direction from your employer on who AHN should bill. If you do not provide this information at the time services are provided, AHN may bill you &/or your insurance company.

Self Pay Services: If you do not have insurance or if the services are not covered by your PAYER, you will receive a 15% discount for professional services rendered, when payment is made in full at the time services are rendered. This discount does not apply to amounts that you owe due to co-pays, coinsurance or deductibles.

Payment Options: If you are unable to meet your financial obligations, payment arrangements can be made. Financing options may be available. Contact our Billing Department to discuss payment options, before your account becomes overdue. In cases of financial hardship, ask about the practice's hardship policy. Hardship policies vary by practice; limitations & restrictions apply.

Making Payments: Patients generally may pay by cash, money order, check or personal credit card. This includes cards for "flexible spending accounts" &/or "health savings accounts". Card information may be kept on file by AHN to facilitate billing. If you have a credit balance, AHN may apply it to any outstanding balances on your account or the accounts of your dependents. Some locations may restrict payment by cash or check.

Fees Assessed by AHN: You may be charged fees for: (1) Returned Checks, (2) Completion of Forms (e.g. Disability or Family Medical Leave), (3) Copies of Medical Records, & (4) Failure to Cancel Appointments in Advance ("No Show"). Notify AHN of cancelations at least one business day in advance to avoid No Show fees. The No Show fee may be assessed up to the amount in our current Fee Schedule.

Termination of Services: If you fail to keep your account current or fail to respond to 3 notices to the address we have on file for you, you agree that AHN may terminate your relationship with any or all of its offices. In such event, you agree that you are no longer a patient, & AHN will not offer you a future appointment. You will have deemed yourself as terminating our relationship if you do not obtain services from AHN for 3 years or if you notify us that you will no longer be a patient. Acceptance back into the practice is at the discretion of AHN. AHN may terminate your relationship with us for other reasons, such as disruptive behavior or non-compliance with care plan, or for no reason.

Authorization to Release of Medical Information: The authorizations described in this Financial Policy may include records about infectious diseases & drug & alcohol abuse treatment. You authorize the release of information by AHN to third party payers (including insurance companies & their contractors), health care institutions, physicians & others involved in your medical care. You agree that as appropriate for your care, AHN may share information with family members & friends. You agree that AHN may provide your medical records to third party payers, review agencies, employers, welfare departments & others for treatment, payment or healthcare operations purposes.

AHN participates in one or more Health Information Exchanges. Healthcare providers can use these electronic networks to securely provide access to your health records for a better picture of your health needs. With this authorization, you agree that AHN, and other healthcare providers, may allow access to your health information through the Health Information Exchanges for treatment, payment or other healthcare operations. This is a voluntary agreement. You may opt out at any time by notifying an AHN Practice Manager or Compliance Officer. Your opt out notice needs to be in writing.

Accidents & Motor Vehicle Injuries: AHN's providers have the discretion to decide whether or not to see patients injured in motor vehicle accidents or for other liability injuries. AHN's providers also have discretion to decide whether or not to bill the liability insurance involved (i.e. home, auto, etc.). AHN does not have to agree to subrogate or accept liens. You must provide accurate information about the injury & may be required to complete an injury questionnaire. In all cases, you bear responsibility for the costs of your care & must pay them promptly at any time that location decides which may include requiring payment in full at time of service.
Continuing Agreement: I have read this information carefully & agree that everything in this Agreement applies to current & future health care services provided by AHN. I acknowledge that AHN may change these terms without notice to me.

Except for uses and disclosures described and limited as set forth in this notice, we will use and disclose your health information only with a written authorization from you. This includes, except for limited circumstances allowed by federal privacy law, not using or disclosing psychotherapy notes about you, selling your health information to others, or using or disclosing your health information for certain promotional communications that are prohibited marketing communications under federal law, without your written authorization. Once you give us authorization to release your health information, we cannot guarantee that the recipient to whom the information is provided will not disclose the information. You may take back or "revoke" your written authorization at any time in writing, except if we have already acted based on your authorization. To find out how to revoke an authorization, use the contact information below under the section titled “Exercising Your Rights.”

What Are Your Rights

The following are your rights with respect to your health information:

- **You have the right to ask to restrict** uses or disclosures of your information for treatment, payment, or health care operations. You also have the right to ask to restrict disclosures to family members or to others who are involved in your health care or payment for your health care. **Please note that while we will try to honor your request and will permit requests consistent with our policies, we are not required to agree to any restriction other than with respect to certain disclosures to health plans as further described in this notice.**
- **You have the right to request that we not send health information** to health plans in certain circumstances if the health information concerns a health care item or service for which you or a person on your behalf has paid us in full. We will agree to all requests meeting the above criteria and that are submitted in a timely manner.

- **You have the right to ask to receive confidential communications** of information in a different manner or at a different place (for example, by sending information to a P.O. Box instead of your home address). We will accommodate reasonable requests. In certain circumstances, we will accept your verbal request to receive confidential communications; however, we may also require you confirm your request in writing. In addition, any request to modify or cancel a previous confidential communication request must be made in writing. Mail your request to the address listed below.
- **You have the right to see and obtain a copy** of certain health information we maintain about you such as medical records and billing records. If we maintain a copy of your health information electronically, you will have the right to request that we send a copy of your health information in an electronic format to you. You can also request that we provide a copy of your information to a third party that you identify. In some cases, you may receive a summary of this health information. You must make a written request to inspect or obtain a copy your health information or have your information sent to a third party. Mail your request to the address listed below. In certain limited circumstances, we may deny your request to inspect and copy your health information. If we deny your request, you may have the right to have the denial reviewed. We may charge a reasonable fee for any copies.
- **You have the right to ask to amend** certain health information we maintain about you such as medical records and billing records if you believe the information is wrong or incomplete. Your request must be in writing and provide the reasons for the requested amendment. Mail your request to the address listed below. If we deny your request, you may have a statement of your disagreement added to your health information.
- **You have the right to receive an accounting** of certain disclosures of your information made by us during the six years prior to your request. This accounting will not include disclosures of information made: (i) for treatment, payment, and health care operations purposes; (ii) to you or pursuant to your authorization; and (iii) to correctional institutions or law enforcement officials; and (iv) other disclosures for which federal law does not require us to provide an accounting.

- **You have the right to a paper copy of this notice.** You may ask for a copy of this notice at any time. Even if you have agreed to receive this notice electronically, you are still entitled to a paper copy of this notice. If we maintain a website, we will post a copy of the revised notice on our website.
