

# Appointment checklist

Make sure you're ready for your appointment

## Please bring to your visit:

- Your insurance card and photo ID
- Any forms you were asked to complete
- A list of all of your current medicines, including vitamins and supplements (or bring your medicine bottles)
- Any medical records that you may have
- A list of questions for your doctor
- The names of any specialists you see

Please circle what you'd like to talk about at your visit:

Medicines

Screenings

Health problems

Shots  
(like flu or COVID-19)

Test results

Other  
(use other side to give more details)

Please circle any health goals you'd like help with:

Exercise

Diet and healthy eating

Weight loss

Coping with loneliness or depression

Changing unhealthy habits

Taking medicine correctly

## At your visit, your doctor will:

- Talk about your health and answer any questions you have
- Check your blood pressure, weight and other vital signs
- Talk about screenings or tests you may need
- Check your medicines
- Set your health goals
- Create a care plan to help you reach your goals
